

# The Viewpoint

News from the Forest Grove United  
Church of Christ

July 2023

**“My 2 cents on the sidewalk, (which is how much I think we should have to spend on it.)**

*“I know that the Lord maintains the cause of the needy and executes justice for the poor in court.” -Psalm 140:12*

Dear friends,

This newsletter is titled, “The Viewpoint,” and so I would like to share one of my own personal viewpoints this month. We find a loud call to economic justice at the heart of the message of the prophets and the gospel of Jesus Christ. Acts points to how the early Christians shared all things in common as an expression of discipleship and a way of welcoming the realm of God in our midst. Matthew 25 invites us see the poorest of the poor as the presence of the living Christ and meet the Living Christ in the work of uplifting each other out of all forms of poverty. The United States of America stands among the wealthiest nations in the world and yet our public infrastructure which includes our systems of healthcare, housing, livable wages, food, and public education continue to crumble. Big moneyed interests continue to undermine the establishment of the public welfare and the common good. Our country refuses to tax billionaires and those in the highest income brackets to maintain a civil society. Our seeming unwillingness and/or inability to defend the commons continues to erase the middle class, further impoverish the average citizen, and maintain an immoral economic status quo where the few profit exponentially at the expense of the welfare of the majority. As witnesses to the gospel, we can remind each other that we can always do something about it together because, *“we know that the LORD maintains the cause of the needy, and executes justice for the poor in court.” (-Psalm 140:12)*

One local microcosmic expression of this overwhelmingly unjust picture is how homeowners and business owners are expected to pay for the maintenance of property belonging to the local municipalities for which we are already taxed. Currently the church is being asked to pay for the funding of the removal and replacement of the trees and sidewalk repairs on College Way. The low bid for the total cost of this project, including tree removal and stump grinding is \$26,412, and the high bid is \$48,500. This exorbitant amount of money is more than most people make in

an entire year. To ask an individual homeowner, let alone a business, let alone a church... to pay this kind of money is to squeeze blood from a stone. If the church had that kind of extra money, we would also do better to put it toward helping the growing number of unhoused people who can't afford to live in this non-functioning economy. In fact, just recently, we put a large sum of money toward our kitchen project which will enable us to continue to offer a meal plan for the growing number of people in need. These are the sorts of efforts we actually need to be supporting with our resources as a church. Unfortunately, as the law stands, the homeowner or the business is indeed expected to pay in most municipalities for sidewalk repairs. It has been truthfully acknowledged that the process of changing the law would be swimming upstream, and yet following the gospel has also been likened to swimming upstream. We can take to heart Dr. King's words as a friendly reminder these days when he said, "One has not only a legal but a moral responsibility to obey just laws. Conversely, one has a moral responsibility to disobey unjust laws. Any law that uplifts human personality is just. Any law that degrades human personality is unjust." In planting trees on College Way the church was conforming to the city's prescribed plan. As followers of Jesus we are called to be advocates for economic justice. I would like to advocate in that way by suggesting the viewpoint that expecting individuals or small businesses to pay such exorbitant amounts for repairs of property owned by the city is not only unjust but also makes no sense. The idea that the city's sidewalks wouldn't be funded and maintained in a good state by the city is also ableist. Even if this is the way things are in most places, regarding this issue or other potential instances of economic injustice, how do we help each other, and our neighbors do better in Forest Grove? Frankly I think that Public Works should pay for the public sidewalk that they own. If we can't change the law, how do we at least advocate and work to build a community where we cooperate more together to take care of what we share in common? So that's a mid-summer's viewpoint for discussion! These are important questions we can be asking ourselves as followers of Jesus.

Love, Pastor Brendan

## Deconstruction Circles Meets again Sunday, July 30, 5-7PM

In recent years, many people coming out of religious environments where questioning was either not allowed or discouraged, are involved in a process that has come to be called, "Deconstruction."

In the Spring of 2023 we started a Faith Deconstruction circle at FGUCC. The group of core participants came up with a mission and purpose for the group. The stated purpose states, "We are an open circle of individuals working together and actively to understand, dismantle, and transform religious oppression. We seek to embody principles of justice, Love, and liberation." During our circle meetings, we achieve this purpose through personal story sharing, circle process, and popular education techniques. This is an open circle. All who feel called to participate are encouraged. We ask that you meet Pastor Brendan before attending your first meeting for an orientation to the group as well as this enriching process. All are welcome!

# Kitchen Capital Campaign

## From your Kitchen Team

We sincerely appreciate your enthusiastic response to our plans to upgrade our kitchen. Now, we are requesting that you return your pledges as soon as it is convenient. We would like to sign a contract with the contractor in order to be in the queue to have the actual construction done. Before we can do this, we need your signed pledges to guarantee that we will have the funds to complete this exciting project. Pledges can be turned in to the church office, or returned by mail to: FGUCC, P.O. Box 265, Forest Grove, OR 97116. If you have any questions, please don't hesitate to let us know. Thank you!

—Your Kitchen Capital Fund Team

Hello Faith Family,

Like you, I received my kitchen update pledge card interview mail this week. I did a little math, and I want to share with you.

We need \$100k to reach our goal. If 100 people in the church pledged \$1000 over the next three years, we would meet our goal.

When you divide \$1000 by three years, it is a small \$35 (or so) each month. That feels do-able to me, that is a couple of lunches out, or a few weeks of purchased coffee!

I hope you all can look at this large sum in a smaller pieces and decide you can pitch in.

Thanks for listening,

—Terri Wyborny

## Volunteer Spotlight! Elaine Foy

Within our community, there exists a remarkable individual whose dedication and boundless energy have touched the lives of many. Elaine Foy is a beacon of inspiration, embodying the true spirit of selflessness and tireless advocacy. Her unwavering commitment to various causes has made her an invaluable asset to our community, leaving a lasting impact on all those fortunate enough to know her.

Elaine's extraordinary journey of service began with her efforts to raise funds for Restorative Justice, an initiative aimed at healing and transforming lives through reconciliation. Her relentless determination and passion for justice have brought hope and support to countless individuals who seek redemption and a chance for a fresh start. In addition to her commitment to Restorative Justice, Elaine has played a crucial role in creating awareness and support for the Ukraine War.

Elaine's impact extends beyond her involvement in external initiatives. She is also the driving force behind the gallery area at our church, where her creativity and attention to detail have transformed the space into a sanctuary of artistic expression and contemplation. With the assistance of dedicated individuals like Sue and Terri, Elaine has crafted a space that nurtures and inspires the entire congregation. Moreover, Elaine's passion for Worship Arts and her commitment to decorating the sanctuary have enhanced our spiritual experiences. Her keen eye for aesthetics and dedication to creating an atmosphere of reverence and beauty have made our worship services truly memorable and uplifting.

As we emerged from the challenges of the COVID-19 pandemic, Elaine took charge of organizing after-church activities that brought joy and connection back into our lives. The seed planting events and Valentines for Our House initiatives provided opportunities for us to come together as a community, sow the seeds of hope, and spread love to those in need. Elaine's vision and coordination ensured that these events were cherished and enjoyed by all.

Beyond her involvement in music and worship, Elaine's versatility shines through as she fills in as an accompanist for summer music performances. Her talent and dedication to her craft are evident in every note she plays, enriching our worship experience and uplifting our spirits. Additionally, Elaine's passion for knitting and weaving prayer shawls showcases her commitment to spiritual care and compassion, providing comfort and solace to those in need.

As a relatively new member of FGUCC since September 2021, Elaine has wasted no time in making a profound impact. Her advocacy for people with disabilities, her involvement in the annual auction, and her unwavering commitment to justice and equality exemplify the qualities that make her a true gem within our community.

Elaine Foy embodies the spirit of patience, resilience, and a fierce determination for justice. Her tireless efforts, unwavering dedication, and boundless energy have shaped our community for the better. We are profoundly grateful for everything Elaine does for our church and the wider community. She is an extraordinary force, inspiring us all to work towards a more compassionate, inclusive, and just world.

## Remembering Ralph Brown.

This month I am recommending two very different books.

Travelers to Unimaginable Lands, Stories of Dementia, the Caregiver, and the Human Brain. This book is a number one best seller, by Dasha Kiper.

“These ‘moving and often surprising’ case histories meld science and storytelling to illuminate the complex relationship between the mind of someone with dementia and the mind of the person caring for them. (*The Wall Street Journal*)

Loving someone who has dementia, How to Find Hope while Coping with Stress and Grief, by Pauline Boss, PhD.

Nearly half of U.S. citizens over the age of 85 are suffering from some kind of dementia and require care. Loving someone who has dementia is a new kind of caregiving book. It's not about the usual techniques, but about how to manage on-going stress and grief. The book is for caregivers, family members, friends, neighbors as well as educators and professionals—anyone touched by the epidemic of dementia. Dr. Boss helps caregivers find hope in "ambiguous loss"—having a loved one both here and not here, physically present but psychologically absent.

**Sympathy**—Our hearts go out in deep sympathy to the family and friends of BJ Jones who passed away on Sunday, June 11. Please keep BJ's family and friends in your hearts during this time.

**Continued remembrance**—Please keep Deva Harris Williams in your prayers as she continues to heal and recover from injuries due to her fall in early May.

**Continued remembrance**—Please keep Paul Minor in your prayers. He is home and continuing to navigate ongoing health issues.

**Continued remembrance**—Please keep Russ and Ann Dondero in your prayers as they both continue to navigate health issues.

**Continued remembrance**—Thank you for your ongoing prayers for Susan Shepard's grandson, Logan, and her daughter and son-in-law, Kathryn and Jon Schuback. Logan seems to be making good progress with his walker and braces and is expected to be walking independently by age 4 (or sooner). He will probably always have a slightly different gait. His parents and all of us are very grateful for the prayers of our community.

**Continued remembrance**—Prayers for Bev Fletcher, Lorren's wife, who is living at the EmpRes Hillsboro Health & Rehabilitation Center.

**Ongoing prayer request:** Please continue prayers for Ralph and Robin Vasey's eight-year-old grandson, Henry, who continues to recover from surgery following an emergency surgery for a stroke before Christmas. He's still receiving lots of different therapies to help him with speech and body movements and is making great strides in improvements each day for which they are extremely grateful.

**Continued Prayers**—Prayers of healing and comfort for all who have ongoing concerns, including Els Abma, Bob Browning, Paul and Stephanie Edwards, Lillian Gimre, Max Groszmann, Yvonne Stacey, and any other friends and family of our church, not named here.

**Thanks have been received for a prayer shawl**—Dear Ladies of Forest Grove UCC,

Your gift of a prayer shawl touched me in ways I never expected. It did all the things you intended and more. I truly felt God's love and healing power. I've knit and crocheted so I know how much effort it took to produce such a lovely shawl. My appreciation runs deep. I've used the shawl daily since I received it. Thank you all! You're doing wonderful work and you've inspired me to perhaps begin a prayer shawl ministry in my church! Bless you all, Lori!

**Prayer Shawl Knitting**—Please join us for knitting this month via Zoom on **Wednesday, July 5 and 19, from 2-4PM**. The link to Zoom will be sent to everyone in the prayer shawl knitting group via email. If you'd like to participate, please call, or email Elena.
